LEADERSHIP HOUSE

OUR MISSION

We're committed to developing a leadership incubator focused on Sudan to create current and future generations of Sudanese leaders with:

- **a global view,**
- **a strong sense of community**
- **who lead with their hearts as well as their minds**

To cultivate Sudanese leadership and organisation capacity through challenging, action-learning programmes designed for high potential leaders delivered to all SHABAB AL-SUDAN who thrive to create an ever-lasting positive change in their own lives and others in their communities.
